

I am very excited to have you in my class in the fall. In preparation for next year, this list outlines all the supplies you will need. Please do not buy these items now. Wait until the sales start and you can bring the supplies on the first day of school. There will be homework notebooks available to purchase at the beginning of the school year.

Please keep practicing your addition and subtraction facts over the summer. Read some good books and enjoy your summer! See you in the fall!!!!
